ARCHITECTURE OF EXCELLENCE™

The Art and Science of High Performance.

The hardest performance problems are rarely about performance. They live in the patterns, relationships, and cultures beneath the result. Architecture of Excellence™ helps leaders, teams, and organizations build the psychological and relational foundations that sustain excellence, in sport, business, and beyond.

I

Speaking & Education

Keynotes, workshops, and signature series that translate psychological insight into practice.

II

1:1 Performance & Leadership Coaching

Private engagements for executives, leaders, and elite athletes.

III

Team & Organizational Consulting

Culture, alignment, conflict, and change, including mental health and performance program design.

Founded by Dr. Alina Schulhofer
Licensed psychologist and former elite athlete
