ARCHITECTURE OF EXCELLENCE™

A two-phase engagement: the Leadership 360° Assessment, followed by three months of 1:1 Private Consulting built on its findings. Both are grounded in the **Architecture of Excellence™** framework.

PHASE I — LEADERSHIP 360° ASSESSMENT — 4–6 WEEKS

01

Initial Meeting

Establishes the process, the objectives, and the stakeholders to be interviewed.

02

Stakeholder Interviews

Confidential interviews with 8–10 employees or other stakeholders, approximately one hour each. All individual responses are kept anonymous.

03

Analysis Through the AOE Framework

Findings are examined through the six pillars of the AOE framework, which serve as the core competencies for the assessment.

04

Written Report

Key strengths, developmental opportunities, and recommendations, organized around the six AOE core competencies. Yours to keep.

05

Review Meeting

A private one-hour meeting to review the outcomes and establish priorities.

PHASE II — 1:1 PRIVATE CONSULTING — INITIAL THREE MONTHS

06

Assessment-Informed Strategy

The assessment findings shape a developmental strategy tailored to the individual.

07

Individualized Consulting

Up to eight hours per month integrating psychological insight, executive coaching, strategy, and skill-building.

08

Integration Report

A comprehensive written report synthesizing key insights, progress, and recommendations for continued growth.
